Joanna Bistany  
Vice President

Dear Rex:

With only less than 24 hours notice to prepare for the Hillary Clinton lunch, you can't imagine how appreciative we are for your being so accommodating.

Under difficult circumstances you were able to supply us with the meal that Mrs. Clinton requested. Not only was the food delicious, but it was also beautifully presented.

Thank you for helping us make everything run smoothly.

A handwritten signature in black ink that reads "Joanna Bistany". The signature is written in a cursive, flowing style.
