Dear Rex:

Thank you so very much for the outstanding holiday party you and your staff orchestrated for the Equity Division. The task of transforming the Passenger Ship Terminal into a Winter Wonderland was overwhelming, to say the least. Rex Duval Catering together with the Destination Group, transformed the venue into a feast for the palate as well as the eyes.

The 1500 guests enjoyed every bit of the food and décor. Every detail was handled with the utmost attention and the staff provided superb service at every level.

Sincerely Yours,

Vicki Markey
