Dear Rex,

I would like to extend my sincerest gratitude to you for a job well done! As you know, our year-end holiday party is an important event where we take the time to thank all of our people for their hard work and contributions over the course of the year. This is a special occasion that requires a keen appreciation to detail as well as a festive spirit. Our gathering of 80 persons was warmly greeted at *Seppi's* by the beautiful decorations. I would especially like to mention your menu selections, the professionalism of you staff, and the beautiful floral displays were touches that made our party a memorable experience.

As a person who has worked with me on several catered events in the past, I must compliment you on your ability to be accommodating to my needs and to create an exquisite event all within budget. I particularly appreciate your effort to keep me informed at all times of the status of the event. It is this extra care that you provide that I rely upon to make each event great.

Please feel free to use me as a reference.

Sincerely,

Mark Doll
