Dear Rex,

In behalf of the ESCADA New York Boutique, I wish to tell you how much I appreciate all the care you accorded to the boutique during our recent UNICEF and InStyle event last February 5, 2003. Considering all our demands, your team was able to maintain the upkeep of the boutique throughout the event. Most importantly, your attention to detail in organizing resulted in a better post-party clean up.

Aside from the exquisite food and drinks, your staff displayed utmost courtesy to our employees and guests.

Needless to say, we are looking forward to have your group again!

Best regards,
