Dear Rex,

I cannot let another day go by without writing to say how much I, on behalf of Ogilvy & Mather Worldwide, appreciate what you and your staff of Rex Duval Caterers Inc./The Destination Group Inc. did to make our recent worldwide management meetings truly successful – in every way! From a catered event for our Board of Directors at our CEO's house to a seated dinner in a New York Museum for over 200 people, we were, quite simply, impressed.

Most meaningful to my associates and me was that you provide a comprehensive, full-service operation. Time is frankly just too short to have to deal with "myriad specialists!" It was key that we could count on you for creative and seamless service, including security, while giving the kind of scrupulous attention to detail that is a "must" for Ogilvy. Also, your anticipating many details that we clearly needed (but which had not even crossed our minds) made these very successful events. Whether it's coming up with unique locations, table décor, elegant name tags, to last minute, best-seat-in-the-house theatre tickets; you delivered. And, importantly, it was reassuring that budgets agreed upon were honored in the execution.

Our guests continue to compliment us on the delicious food and carefully selected wines that you brought to our tables. Your superbly trained staff and those gorgeous flowers, which are a hallmark of a Duval-catered event, make your operation an easy one to recommend, and I do so heartily.

Again, thank you.

Yours sincerely,
